Failure to confirm your proposed attendance will not preclude you from attending but it assists the Company in arranging appropriate facilities on the day of the AGM.

### 2. Business to be transacted at the AGM

Details of the resolutions which are to be proposed at the AGM are set out below.

#### Ordinary resolution 1: Annual Report 2018

The business of the AGM will begin with a resolution to lay before members the Annual Report in respect of the 12 month period ending 31 December 2018 (the "Annual Report"). Shareholders will have the opportunity to put questions on the Annual Report to the directors before the resolution is proposed to the meeting.

#### Ordinary resolutions 2: Reappointment of retiring Director

Shareholders are asked to re-elect as a director Russell King who is retiring in accordance with Article 25 of the Company's Articles of Association and who being eligible is offering himself for re-election.

#### Ordinary resolutions 3: Reappointment of retiring Director

Shareholder are asked to re-elect as a director Stephen Betts who is retiring in accordance with Article 25 of the Company's

Articles of Association and who being eligible is offering himself for re-election.

#### Ordinary resolutions 4: Reappointment of retiring Director

Shareholder are asked to re-elect as a director David Straker-Smith who is retiring in accordance with Article 25 of the Company's Articles of Association and who being eligible is offering himself for re-election.

#### Ordinary resolutions 5 and 6: Re-appointment of auditors and authority to determine remuneration

Shareholders will be asked to confirm the reappointment of RSM UK Audit LLP as the Company's auditors to hold office until the conclusion of the next annual general meeting and to grant authority to the directors to determine the auditors' remuneration.

#### Ordinary resolution 7: Grant of authority to the Directors to allot Ordinary Shares

This resolution deals with the directors' authority to allot Relevant Securities (as defined in the notes to this resolution) in accordance with section 551 of the Companies Act 2006 (the "Act"). This resolution will, if passed, authorise the directors to allot:

- in relation to a pre-emptive rights issue only, equity securities (as defined by section 560 of the Act) up to a maximum nominal amount of £2,357,921 which represents approximately two thirds of the Company's issued Ordinary Shares (excluding treasury shares) as at 31 May 2019. This maximum is reduced by the nominal amount of any Relevant Securities allotted under paragraph 7b;
- in any other case, Relevant Securities up to a maximum nominal amount of £1,178,961 which represents approximately one third of the Company's issued Ordinary Shares (excluding treasury shares) as at 31 May 2019. This maximum is reduced by the nominal amount of any equity securities allotted under paragraph 10(a). in excess of £1,178,961.

Therefore, the maximum nominal amount of Relevant Securities (including equity securities) which may be allotted under this resolution is £2,357,921.

As at close of business on 31 May 2019, the Company did not hold any treasury shares.

This authority replaces a similar authority passed at the Company's last annual general meeting held on 26 June 2018 and will expire on the date which is 18 months after the date on which the resolution is passed or, if earlier, the date of the next annual general meeting of the Company.

The directors currently intend only to make use of this authority: (i) in connection with the grant of any options to the directors

of the Company and employees of the Company's group; and (ii) as may be necessary to manage the Company's capital resources.

**Relevant Securities means:**

- Shares in the Company other than shares allotted pursuant to:
  - an employee share scheme (as defined by section 1166 of the Act);
  - a right to subscribe for shares in the Company where the grant of the right itself constituted a Relevant Security; or
  - a right to convert securities into shares in the Company where the grant of the right itself constituted a Relevant Security.
- Any right to subscribe for or to convert any security into shares in the Company other than rights to subscribe for or convert any security into shares allotted pursuant to an employee share scheme (as defined by section 1166 of the Act). References to the allotment of Relevant Securities in the resolution include the grant of such rights.

Where the aggregate usage by the Company of the authority granted by this resolution exceeds one third of the nominal value of the Company's issued Ordinary Shares (excluding treasury shares) as at 31 May 2019 and also, in the case of issuance being in whole or part by way of a fully pre-emptive rights issue, monetary proceeds exceed one third (or such lesser relevant proportion) of the pre-issue market capitalisation, all directors wishing to remain in office will stand for re-election at the next annual general meeting of the Company following the decision to make the issue in question.

**Special resolution 8: Disapplication of statutory pre-emption rights on allotment of shares**

If the directors wish to allot unissued shares or other equity securities for cash or sell any shares which the Company may hold in treasury following a purchase of its own shares, the Act requires that such shares or other equity securities are offered first to existing shareholders in proportion to their existing holdings.

This resolution will, if passed, give the directors power, pursuant to the authority to allot granted by Resolution 7 to allot equity securities (as defined by section 560 of the Act) or sell treasury shares for cash without first offering them to existing shareholders in proportion to their existing holdings up to a maximum nominal amount of £353,688 which represents approximately 10 per cent. of the Company's issued Ordinary Shares (excluding treasury shares) as at 31 May 2019.

The proposed resolution also disapplies the statutory pre-emption provisions in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of those securities or as the directors otherwise consider necessary, and allows the directors, in the case of any such offer, to make arrangements in relation to fractional entitlements or other legal or practical problems which might arise.

The total number of Ordinary Shares in issue as at 31 May 2019 is 353,688,201. The Company does not currently hold any treasury shares. This authority replaces a similar authority passed on 26 June 2018 and the power granted by this resolution will expire on the date which is 18 months after the date on which this resolution is passed or, if earlier, the date of the next annual general meeting of the company.

**Special resolution 9: Purchases of own shares by the Company**

Resolution 9 to be proposed at the AGM seeks authority from holders of Ordinary Shares of the Company to make market purchases of Ordinary Shares, such authority being limited to the purchase of 10 per cent. of the Ordinary Shares in issue as at 31 May 2019. The maximum price payable for the purchase by the Company of Ordinary Shares will be limited to an amount equal to 105 per cent. of the average market value of an ordinary share for the five business days prior to the day the purchase is made. The minimum price payable by the Company for the purchase of Ordinary Shares will be 1p per share (being the amount equal to the nominal value of an ordinary share). The authority to purchase Ordinary Shares will only be exercised if the directors consider that it is in the best interests of the Company and the Shareholders as a whole. The Company may either cancel any Ordinary Shares which it purchases under this authority or transfer them into treasury (and subsequently sell or transfer them out of treasury or cancel them). If the Company were to purchase any Ordinary Shares pursuant to this authority it would consider holding them as treasury shares. This would enable the Company to re-issue treasury shares quickly and cost-effectively and would provide the Company with additional flexibility in the management of its capital base.

Options to subscribe for up to 16,158,112 Ordinary Shares and warrants to subscribe for up to 6,786,602 Ordinary Shares have been granted and are outstanding as at 31 May 2019 representing approximately 6.49% of the issued ordinary share capital of the Company at that date. If the directors were to exercise in full the power for which they are seeking authority under resolution 8, the options and warrants outstanding as at 31 May 2019 would represent approximately 7.21% of the ordinary share capital of the Company in issue following such exercise.

**3. Action to be taken**

You are entitled to appoint one or more proxies to attend and vote at the AGM on your behalf. You will find enclosed with this document a Form of Proxy for use in connection with the AGM. Whether or not you propose to attend the AGM in person, you are requested to complete and return the Form of Proxy to Link Asset Services, PXS1, 34 Beckenham Road, Beckenham, Kent BR3 4ZF in the prepaid envelope provided as soon as possible and, in any event, so as to be received no later than 9:00 a.m. on 24 June 2019. Completion and return of a Form of Proxy will not stop you from attending the AGM and voting in person should you so wish.

**4. Recommendation**

The directors consider that all of the resolutions to be proposed at the AGM are in the best interests of the Company and its shareholders as a whole and unanimously recommend that shareholders vote in favour of all of the resolutions, as the directors intend to do in respect of their own beneficial holdings.

Yours faithfully,

**Russell King**  
Non-executive Chairman

    - (i) to holders of Ordinary Shares in proportion (as nearly as may be practicable) to their respective holdings; and
    - (ii) to holders of other equity securities as required by the rights of those securities or as the directors otherwise consider necessary, but subject to such exclusions or other arrangements as the directors may deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates, legal or practical problems in or under the laws of any territory or the requirements of any regulatory body or stock exchange; and

    - (i) to the holders of Ordinary Shares in proportion (as nearly as may be practicable) to their respective holdings; and
    - (ii) to holders of other equity securities as required by the rights of those securities or as the directors otherwise consider necessary, but subject to such exclusions or other arrangements as the directors may deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates, legal or practical problems in or under the laws of any territory or the requirements of any regulatory body or stock exchange; and
  - (b) the allotment (otherwise than pursuant to paragraph 8(a) above) of equity securities up to an aggregate nominal amount of £353,688.

The power granted by this resolution will expire on the date which is 18 months after the date on which this resolution is passed or, if earlier, the conclusion of the Company's next annual general meeting (unless renewed, varied or revoked by the Company prior to or on such date) save that the Company may, before such expiry make offers or agreements which would or might require equity securities to be allotted after such expiry and the directors may allot equity securities in pursuance of any such offer or agreement notwithstanding that the power conferred by this resolution has expired.

This resolution revokes and replaces all unexercised powers previously granted to the directors to allot equity securities as if section 561(1) of the Act did not apply but without prejudice to any allotment of equity securities already made or agreed to be made pursuant to such authorities.

- b) the letters of appointment between the Company and each of the non-executive directors of the Company.

2. Members are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote (on a show of hands and on a poll) on their behalf at the meeting. A shareholder may appoint more than one proxy in relation to the Annual General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. Where more than one proxy is appointed, a member must specify the number of shares the rights in respect of which each proxy is entitled to exercise. A proxy need not be a shareholder of the Company. A Form of Proxy which may be used to make such appointment and give proxy instructions accompanies this notice.

3. To be valid, the Form of Proxy must be received by Link Asset Services, PXS1, 34 Beckenham Road, Beckenham, Kent BR3 4ZF by no later than 9:00 a.m. on 24 June 2019.

4. The return of a completed Form of Proxy will not prevent a shareholder attending the Annual General Meeting and voting in person if he/she wishes to do so.

5. To change your proxy instructions simply submit a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments (see above) also apply in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded.

If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

6. In order to revoke a proxy instruction you will need to inform the Company by sending a signed hard copy notice clearly stating your intention to revoke your proxy appointment to Link Asset Services, PXS1, 34 Beckenham Road, Beckenham, Kent BR3 4ZF. In the case of a member which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice.

In either case, the revocation notice must be received by the Company no later than 9:00 a.m. on 24 June 2019.

If you attempt to revoke your proxy appointment but the revocation is received after the time specified then, subject to the paragraph directly below, your proxy appointment will remain valid.

Appointment of a proxy does not preclude you from attending the Meeting and voting in person. If you have

appointed a proxy and attend the Meeting in person, your proxy appointment will automatically be terminated.

7. In the case of joint holders of shares, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder (being the first named holder in respect of the shares in the Company's register of members) will be accepted.

8. Pursuant to regulation 41 of the Uncertificated Securities Regulations 2001, only shareholders registered in the register of members of the Company as at close of business 24 June 2019 shall be entitled to attend and vote at the Annual General Meeting in respect of the number of shares registered in their name at such time. If the Annual General Meeting is adjourned, the time by which a person must be entered on the register of members of the Company in order to have the right to attend and vote at the adjourned meeting is close of business on the day preceding the date fixed for the adjourned meeting.

Changes to the register of members after the relevant times shall be disregarded in determining the rights of any person to attend and vote at the meeting.

9. As at 31 May 2018 (being the latest practicable date prior to the publication of this document), the Company's issued share capital consists of 353,688,201 Ordinary Shares of £0.01 each and which each carry one vote. Therefore, the total voting rights in the Company as at 31 May 2019 are 353,688,201.

10. A corporation which is a member can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a member provided that, on a poll, if more than one corporate representative purports to exercise powers over the same share as another corporate representative, that power will be treated as not exercised.

11. Except as provided above, members who have general queries about the Meeting should contact [tom@hummingbirdresources.co.uk](mailto:tom@hummingbirdresources.co.uk) (no other methods of communication will be accepted).

You may not use any electronic address provided either:
